PROFESSIONAL PROFILE

Highly organized Operations Specialist with extensive expertise in chargeback prevention, dispute resolution, multi-line insurance operations (Home, Vehicle, and Personal Injury), and digital administration. Skilled in managing real-time alert networks (Ethoca & Verifi), auditing complex claims, maintaining total data integrity, and resolving high-volume transaction disputes. Combines strong analytical problem-solving with customer-focused communication to consistently maintain operational excellence.

CORE COMPETENCIES & EXPERTISE

Dispute & Risk Management: Ethoca & Verifi monitoring, alert processing, rapid refund execution, evidence reporting & health metrics.

Operations & Data Integrity: Advanced spreadsheet tracking (Excel/Sheets), contract & file organization, workflow auditing.

Insurance Operations: Home, Vehicle & Injury claims adjudication, coverage verification, decision writing, compliance adherence.

Technical & Support Skills: Inbound/outbound call handling, real-time webchat, system logging, administrative digital literacy.

PROFESSIONAL EXPERIENCE

Chargeback Prevention Specialist | Chargemont LLC

May 2026 – October 2026

- **Alert Network Management:** Actively monitored chargeback alert systems (Ethoca & Verifi) to execute timely refunds, effectively preventing formal disputes and protecting merchant standing.
- **Data Management & Organization:** Maintained strict data integrity across internal systems by organizing, categorizing, and continuously updating alert and chargeback logs.
- **Report Uploading & Evidence Packages:** Prepared and uploaded essential documentation and evidence reports required to sustain dispute prevention health and optimal metric benchmarks.
- **Transaction Auditing & Accuracy:** Reviewed detailed transaction histories to verify accuracy and consistency, eliminating error points across active accounts.
- **System Maintenance:** Systematically logged processing outcomes to ensure real-time key performance metrics remained fully updated and reliable.

Insurance Operations Specialist | EXL Philippines

2023 – 2026

- **Multi-Line Claims Adjudication:** Accurately evaluated and processed claims across Home, Vehicle, and Personal Injury insurance lines, ensuring adherence to strict regulatory guidelines.
- **Claims Decision Writing & Execution:** Drafted comprehensive formal decision letters, verified policy coverage limits, and authorized secure claim settlement disbursements.
- **Multi-Channel Customer Support:** Provided high-quality inbound/outbound phone and live webchat support, handling complex inquiries with clarity, speed, and professionalism.
- **Service Provider Allocation:** Coordinated service provider allocations across multiple Lines of Business (LOB) to facilitate rapid emergency property repairs and vehicle towing services.
- **Operational Performance:** Consistently met or exceeded operational Key Performance Indicators (KPIs) for resolution accuracy, speed, and customer satisfaction in a fast-paced environment.
